BOURBON & BERRY  
**GANACHE**  
body polish

Nestled by the fire with a glass of wine is lovely, but this treatment takes the cake. A Kentucky bourbon and brown sugar scrub down – so intoxicating and sweetly divine – removes dry, dull skin. Then, a cocoa and organic fig serum is brushed on to replenish and renew with antioxidant goodness – vitamins A, C & E and Aloe Vera. Finally, a botanical oil with blackcurrant extract is massage into the skin and leaves you relaxed, renewed and aglow from head to toe all night long.

*Chocolate Covered*  
STRAWBERRY BLISS

Enter a very dark chocolate place! A Sweet Cream sea salt exfoliation smooths all the rough spots. Next, a warm dark chocolate softening mask is painted over every inch, then you're wrapped with a hot Butter Brulee whole milk wrap. Skin is nourished with antioxidant-rich CoQ10 enzymes from the softening mask. Last, a dollop of delight! A whipped Shea butter and live strawberry fruit cell full-body massage brings deep, luscious hydration!

coconut oil soak. You'll breathe a sigh of relief as the nutrients work to soften and replenish with romantic hydration. Notes of cream will then dance the waltz, as you receive a sea salt scrub to buff and gleam with vitamin E. Hands and feet are wrapped with an organic California fig and cocoa compress, abundant with antioxidants to visibly firm and smooth the look of skin. The grand finale is a grapeseed and olive fruit oil massage. Cheers to that!

After this treatment, you'll feel as if Cupid has enchanted you with his arrow! We begin with a nourishing vitamin E and coconut oil soak to soften and prep skin for a golden brown sugar and premium aged rum-infused exfoliant, leaving behind delicious notes of butterscotch to warm one's heart. Your newly soft hands and soles then receive a Madagascar vanilla and Texas bourbon body oil full-body massage to end this decadent affair.

A toast to love and to you, darling! This therapeutic massage is for winter-parched skin in need of a deep drink of hydration. Neck, hands and feet are wrapped in a steaming, sultry compress – with towels infused with rich notes of Madagascar vanilla and vitamin-E for all the moisturizing feels. Hands and feet are painted in an organic honey and sunflower butter blend, then cocooned for deeply nourishing hydration. A gorgeous infusion of organic coconut milk and sultry organic cardamom is rubbed in from head to toe with soothing effleurage strokes to relieve muscles of tension. The look of love looks splendid on you.

A renewing body massage for the romantics at heart!
